

# STONEPANEL™. The only pre-assembled natural stone panel that's guaranteed!

Stonepanel™ is an innovative paneling system for walls, façades, etc., suitable for both indoor and outdoor use. This unique product is made of natural stone (slabs of quartzite, gneiss, limestone, sandstone or slate) joined to a cement base that is reinforced with a light metal or fibre-glass mesh at the base.

Stonepanel™ modules come in the following regular sizes: 61x15.2 cm and 60x20. Corner pieces are also available. Stonepanel™ may be installed on brick, cement block, and concrete walls, as well as walls made of other materials.

Corner pieces: Two sizes are available in order to be able to vary the joints.

STONEPANEL™ IS THE ONLY NATURAL STONE PRE-ASSEMBLED PANEL ON THE MARKET THAT OFFERS NUMEROUS **ADVANTAGES** OVER TRADITIONAL STONEMWORK:

1. **INSTALLS 10 TIMES FASTER THAN TRADITIONAL STONEMWORK**
2. **SAVE €€€'S PER SQUARE METER**
3. **NO SPECIALIZED LABOR NEEDED FOR INSTALLATION**
4. **DOES NOT REQUIRE ANY TYPE OF SPECIALIZED MACHINERY**
